

**FINALLY!**  
*An Engineering Association  
that works FOR engineers.*

**AMERICAN** ██████████  
**ENGINEERING** ██████████  
**ASSOCIATION** ██████████

**AEA: Engineers Working  
for Engineers.**

**AEA** is dedicated to the enhancement of the engineering profession and U.S. engineering capabilities.

**AEA** is a nonprofit association with members in virtually every high-tech center and industry in the United States.

**AEA** members are from all engineering disciplines including aerospace, chemical, civil, computer, electrical and electronics, industrial, IT, mechanical, and software to list a few.

**AEA** members are involved from micro-circuits to transmission lines, go-carts to moon shots, energy conversion to energy conservation and from the ocean depths to outer space.

**AEA** members are from ALL industries, branches and specialties of the engineering community.

**AEA** is the only engineering association dedicated exclusively to professional needs and concerns of the U.S. Engineering Community.

**AEA: Engineers Sharing  
Common Concerns.**

Age Discrimination and lifelong career, loss of U.S. manufacturing and engineering jobs, reduction in U.S. productivity, under-utilization of engineers, skill enhancement opportunities, U.S. Home Security, H-1B legislation, importation of foreign workers, college recruitment of foreign students, portable pensions, health care programs, tax incentives for U.S. corporations, salary compression & unpaid overtime, Engineer Shortage Propaganda, etc.

**AEA: Engineers Concerned  
about your Career.**

WE communicate, report news, make news, keep engineers aware, publish engineers' views, improve working conditions, testify before Congress, review legislation, oppose positions and endorse positions.

**AEA AND  
2,000,000 U.S. ENGINEERS  
WILL MAKE THINGS  
HAPPEN.

**AEA: Engineers Achieving  
Results.**

**AEA** testified against and debunked the engineering shortage propaganda promoted by the National Science Foundation.

**AEA** supported Portable Pension Legislation.

**AEA** opposed DOD for encouraging foreign procurement and supported legislation to restrict the practice.

**AEA** was the only engineering organization to testify in person against the 1990 immigration bill which opened the floodgates for foreign engineers to enter this country permanently.

**AEA** opposed provisions in the Free Trade Agreement which surrendered our rights to foreign trade attorneys.

**American Engineer** is the official publication of the AEA.

**AE** keeps our members informed and unites the engineering community.

It's time to enhance the Profession, Career and U.S. Engineering capabilities.
